Frontend Developer

2005 - 2011

HÖGSKOLAN I HALMSTAD

Master of Education | Social Studies & English

MISC

STUDENT REPRESENTATIVE

IT-Högskolan | 2024-2026

PROFILE

Creative and driven former upper secondary school teacher with an eye for design. I primarily work with React and TypeScript and enjoy building user-friendly applications that are easy to understand, maintain, and improve. I enjoy learning from others and value open communication when collaborating within a team.

EXPERIENCE

FRONTEND DEVELOPER, INTERNSHIP | AUG 2025 - OCT 2025 & JAN 2026 - JUN 2026

Digital Creation

- Collaborated with backend developers to implement new features and integrations.
- Refactored and improved existing frontend code to enhance performance, maintainability, and overall structure.
- Designed and built the frontend architecture for an AI-powered application.
- Led the development and organization of the frontend for an ordering and payment application.
